Protect yourself from counterfeit

Even if it looks and feels like an Original HP print cartridge, you could be misled into purchasing a counterfeit reproduction. With new HP security seals, you can detect and avoid counterfeit products.

Print beautiful. Print responsibly.

From our global recycling initiatives, to our specially engineered cartridges made of recycled materials and designed for the most efficient performance, HP is committed to more sustainable printing.

The Best Choice in BUSINESS PRINTING

How the HP JetIntelligence toner technology maximises your business efficiency

- Soft core melts at a lower temperature to reduce energy consumption while producing professional-quality colours prints
- Durable outer shell withstands cartridge wear while delivering fast print speeds
- Uniform size and shape ensures prints with sharp text, bold blacks and crisp graphics
- Redesigned cartridge with higher toner capacity prints up to 33% more pages per cartridge than previous generations *
- Smaller, more robust components ensures fewer printing interventions
- Improved toner gauge tracks and predicts cartridge life more accurately
